PICKENSVILLE CHURCH'S LEADERSHIP does not know how long this famine will last. A good Rule of Thumb would be: If you use two or more of any items above in a month, buy two or more for your household's supply within 30 to 45 days; 2026. Remember Joseph's words to Pharaoh in Egypt, "And that food shall be for store to the land against the seven years of famine, which shall be in the land of Egypt; that the land perish not through the famine," Genesis 41:33-37.
