Continued... Have you ever been tempted to ask, "Why me?" Maybe there is a member of your family who is hard to get along with, and it falls your lot to bear the burden. You wonder why this happened to you; how you got stuck with this person. You affirm that this person is the one keeping you from being the kind of Christian you want to be. You would be the greatest if it were not for him, but he is your reason you have failed. Maybe. But this person could also be the way you show the Lord, and the world, that you have developed that super attitude that makes it possible for a Christian to do good under the worse of conditions.

PICKENSVILLE CHURCH'S LEADERSHIP does not know how long this famine will last. A good Rule of Thumb would be: If you use two or more of any items above in a month, buy two or more for your household's supply within 30 to 45 days; 2026. Remember Joseph's words to Pharaoh in Egypt, "And that food shall be for store to the land against the seven years of famine, which shall be in the land of Egypt; that the land perish not through the famine," Genesis 41:33-37.
